VOLUME 24 - ISSUE 04 OCTOBER - 2024

Dear Readers,

We hope your day has started on a positive and productive note!

In this edition, we're excited to share the key achievements and updates from the past quarter. Your contributions have been integral to the success of our programs, and we look forward to celebrating them with you.

The last quarter was dynamic and eventful, marked by a series of initiatives and activities led by various departments across the organization, ensuring an overall successful quarter.

We would now like to share a few significant events from the last quarter in this editorial.

So, let's begin....

We are pleased to announce that the training sessions for Competitive Examinations have started from 7th September 2024. Mr. Atiq Kudalkar, a professional from the Defence Administration Department, supported us by providing valuable guidance to students, every Saturday at MESCO Office, on competitive exam preparation.

As part of the National Blood Donation campaign under the initiative of "Prophet for All," in observance of Eid Milad-un-Nabi. MESCO organized a blood donation camp at R.C. Mahim School on 15th September 2024.

MESCO was honored by Nair Hospital during their foundation day celebration on 27th September 2024, in recognition of our support for needy and deserving patients in their treatment.

To groom students in sports and enhance their fitness and discipline, we have started Kickboxing sessions since 11th Sept 2024 at the R.C. Mahim School grounds for students of std VIII and IX. The sessions are held three days a week.

We are pleased to share that our sister concern, MES, has launched a study center and gym facility. These facilities were inaugurated on 8th September 2024 at The Radiant English School & Junior College in Kausa, Mumbra.

We are happy to share that MES Crescent English High School and Jr College was recognized under Mukhyamantri Maji Shala Sunder Shala as the Best Clean & Hygienic School in Mumbra following inspections on various levels: CRC level on 11th September 2024, District level on 13th September 2024, and Divisional level on 19th September 2024. The results for the State-level selection are still awaited.

We are delighted to announce the launch of the highly anticipated Hospital Front Office and Billing Executive course conducted by MES VTC. The first batch commenced on 23rd July 2024.

To keep our donors and well-wishers informed about the yearly happenings of the organization, MESCO and MES organised Annual General Meeting (AGM) on 28th September 2024, where the organization's finances and other activities were shared, and long-serving employees from both MESCO and MES were recognized and awarded for their dedicated service.

This October, MESCO is proud to host a Charity Fest, bringing together the community for a series of events aimed at promoting health, education, and well-being. Under this banner, we will be organizing several activities that cater to all age groups, focusing on vital issues such as career guidance, health awareness, medical camp and preventive care. Join us as we work towards empowering individuals and uplifting our community through knowledge and care. Let us come together and make a difference!

SUCCESS STORY

Sakhi Gunday

"Let your passion drive your profession"

Sakhi was selected under EAS Scheme based on merit and means criteria. Sakhi's father worked at a shipping company and mother is a homemaker. Her parents were having difficulties making ends meet. Sakhi had been performing very well in her academics since she was in school. Her passion was to join theatre as her inclination was towards acting. She was associated with many theatre groups and kept working hard towards her desire. At the same time, she completed her BMM (Journalism) studies. She was juggling between her studies and theatre performances as it was her passion since always.

She began her career with Prahaar newspaper and worked as a social media executive. She has been a part of various acting competitions and theatre plays for the last 6 years. Dynamic and confident, Sakhi retained firm belief in her abilities and passion. She is presently working in Marathi Serial "Thoda Tuza aani Thoda Maza" being telecast on Star Pravah Channel. All her acting episodes are there on social media platforms.

GRATITUDE STORY

Yusra, a 13-year-old girl has been living with congenital hearing loss since birth. For years, she relied on a hearing aid to help her engage with the world around her, but after seven years, that aid finally stopped working. Her school teacher urgently emphasized for a new hearing aid, warning that without it, she would have to leave her regular school.

Her father, is a salesman at a ready-made dress shop in Govandi, earns around Rs. 11,000 monthly to support their family of five. With two children studying and a monthly rent of Rs. 4,500, their financial situation is very unstable.

Fortunately, MESCO provided complete medical assistance for the new hearing aid. With this support, she was able to return to school and continue her education without interruption.

The family is very grateful to the donors of MESCO for their timely help, Thanks to their generosity, she can now thrive in her studies and live a normal, fulfilling life.

CLINICS

During the past quarter, the Clinic Department at Medical-Aid Dispensary in Mumbra, Amrut Nagar, gave primary health care to **3739** patients. Additionally, the Umair Khopekar Memorial Physiotherapy Centre provided physiotherapy services to **336** patients. Notably, the centre has extended its operating hours until 8 p.m. from September 2024.
